Instructions from Lantos:

“Now, Dear Ones, while you sit quietly within the Great Cosmic Circle, hold your Personal BioTrinity in your right hand. Place the Pendant of Eternal Light in your left hand, and envision the Radiant Beams of Eternal Light, the Brilliant strands of Light present everywhere.

“*Nectar of Life, Nectar of Life, Nectar of Life*: this is what we envision; this is what we enliven. Yes?”

“*Nectar of Life, Nectar of Life, Nectar of Life*: say this within yourself. Experience the Enlivenment of the Radiant Beams of Eternal Light.

“Now, say this within yourself: *Nectar of Life, Nectar of Life, Nectar of Life*. This is the Great Process of Enlivenment, Enlivenment of the Brilliance of the Connection with the Source.

“Again, we will say this: *Nectar of Life, Nectar of Life, Nectar of Life*.

“During the five minutes, we will repeat several times this expression, like this, in sets of three. Very good.”
